Dear Esteemed Clients and Colleagues,

Considering recent developments in the spread of COVID-19, we would like to reassure all stakeholders that the Malta Stock Exchange is operating normally and is fully functional. We are monitoring COVID-19 and local business developments closely and have taken all possible steps to ensure continuity and minimal disruption. We have all systems and technologies in place to allow for secure and continuous operations and support of the Exchange's trading and depository services.

The Malta Stock Exchange remains open to the general public and our customer service team is ready to offer assistance. However, we encourage visits to the Exchange to be taken only as a last resort, considering we are well equipped to service client by accepting calls through our main switchboard at (+356) 21244051 or by email on borza@borzamalta.com.mt.

Should a visit to the Exchange be essential, in the spirit of taking the necessary precautions to safeguard the well-being of our staff, we ask that all visitors follow prudent health and safety protocols, which include sanitizing hands and keeping a safe distance from Exchange staff. The Board of Directors and the executive team will continue to assess developments, and are committed to offering exceptional services, and to keep stakeholders informed as required.

Joseph Portelli
